## PROJECT EXPERIENCE

**Full Sail University, Orlando, FL | Sound Designer and Music Composer**– May 2024

- Created music composition and sound design for a 2D platformer.
- Integrated music and sound effects using Wwise.
- Used horizontal composition with dynamic changes to match the game state.

**Full Sail University, Orlando, FL | Music Composer**– April 2024

- Composed “Celestial Fear: Ominous Vibrations in Outer Space” for a dramatic, tension-filled sci-fi setting.
- Captured the eerie atmosphere of space with haunting ambient sounds and dissonant tones.
- Tailored the composition for mysterious and suspenseful scenes in films and games.

**Full Sail University, Orlando, FL | Music Composer**– April 2024

- Composed music for a 6-minute horror film “Dollhouse.”
- Implemented techniques like sonorism and used spotting notes for precise timing.
- Focused on creating ominous tension to enhance the horror atmosphere.

**Full Sail University, Orlando, FL | Music Composer**– March 2024

- Composed “The Twins’ Awakening,” a trailer track alternative for “Avengers: Age of Ultron.”
- Created an epic piece with ostinato patterns and impactful hits, fitting for a movie trailer.
- Ensured the music aligned perfectly with the trailer’s dramatic and action-packed scenes.
